Department of Chemistry Seminar

Science and Policy at GW, in Washington, DC, and in Your Science Career

Kei Koizumi is a Senior Advisor in Science Policy at the American Association for the Advancement of Science (AAAS). He joined AAAS in February 2017 after 8 years as Assistant Director for Federal Research and Development and Senior Advisor for the National Science and Technology Council at the White House Office of Science and Technology Policy (OSTP). There, he was responsible for leading OSTP engagement on the U.S. Federal R&D budgets, appropriations, and policies and for S&T policy coordination through the National Science and Technology Council.

Before joining OSTP in February 2009, he served as the Director of the R&D Budget and Policy Program at the American Association for the Advancement of Science (AAAS). Mr. Koizumi is an instructor with the Elliott School of International Affairs (ESIA International Science and Technology Policy Program).

He received his M.A. from the Center for International Science, Technology, and Public Policy program at the George Washington University (where he is currently an instructor), and received his B.A. in Political Science and Economics from Boston University. He is from Columbus, Ohio. He is a Fellow of the American Association for the Advancement of Science.
