Transfer Credit Policies:

1. Courses must be taken for a standard letter grade; a minimum grade of C- (or numerical or international equivalent) must be earned in order to transfer credit; we do not transfer S, P, or CR grades
2. Only credit hours transfer, grades do not transfer and do not count towards your GPA. Credit hours taken at institutions following a quarter or trimester calendar will be converted to semester credit hours (i.e. 3 quarter hours = 2 semester hours); students are responsible for knowing whether their school follows a quarter/trimester or semester calendar
3. You may not be awarded transfer credit for a GW course previously completed with a passing grade (except for designated courses with specific department approval)
4. No more than 9 credits or 3 courses (to a maximum of 12 credits total) may be transferred after enrollment at GW.
5. **An official transcript must be sent to the Registrar upon completion of coursework:** Office of the Registrar, 44983 Knoll Square, Suite 260, Ashburn, VA 20147 or transfercredit@gwu.edu

Policies:

You must have academic department approval for each course to transfer back to George Washington University.

You are only allowed to transfer nine credits or three courses (up to a maximum of 12 credits) from institutions outside of GW once you have started your studies at GW. This is a rule that applies to credits obtained from foreign institutions as well as institutions within the United States.

Courses must be taken for a letter grade. Transfer credit is awarded for final grades of C- or better (or international equivalent). The grade earned does not appear on your transcript and is not included in the calculation of your GPA. Only the credits transfer to your GW academic record.

You may not be awarded transfer credit for a GW course previously completed with a passing grade (except for designated courses with specific departmental approval).
